## Lyrics

(Intro)

They used to tell me I was building a dream  
So I followed the mob  
When it was earth to plow or guns to bear  
I was always there on the job  
They used to tell me I was building a life  
With peace and glory ahead  
So tell me why am I standing in line just waiting for bread?

(Chorus)

Once I built a railroad, made it run made it race against time  
Once I built a railroad, now it's done brother can you spare a dime?  
Once I built a tower to the sun brick and rivet and lime  
Once I built a tower, now it's done brother can you spare a dime?  
Once in khaki suits gee, we looked swell  
Full of that yankee Doodle De Dum  
Half a million boots went slogging through hell  
I was the kid with the drum  
Say don't you remember, they called me Al it was Al all the time  
Say don't you remember, I'm your pal brother can you spare a dime?

## Lyrics

Dinah, is there anyone finer  
In the state of Carolina?  
If there is and you know her show her to me

Dinah, with her Dixie eyes blazin',  
How I love to sit and gaze into the eyes of Dinah Lee

Yet, every night, my how I shake with fright  
Because my Dinah might change her mind about me

Dinah, if she wandered to China,  
I would hop an ocean liner, just to be with Dinah Lee

### Lyrics

It ain't no use to sit and wonder why, babe  
It don't matter anyhow  
It ain't no use to sit and wonder why, babe  
If you don't know by now  
When your rooster crows at the break of dawn  
Look out your window and I'll be gone  
You're the reason I'm traveling on  
Don't think twice, it's all right

And it ain't no use in turning on your light, babe  
That light I never knowed  
And it ain't no use in turning on your light, babe  
I'm on the dark side of the road  
But I wish there was somethin' you would do or say  
To try and make me change my mind and stay  
We never did too much talking anyway  
Don't think twice, it's all right

It ain't no use in calling out my name, gal  
Like you never done before  
And it ain't no use in calling out my name, gal  
I can't hear you anymore  
I'm thinking and wondering walking down the road  
I once loved a woman, a child, I'm told  
I give her my heart but she wanted my soul  
Don't think twice, it's all right

I'm walking down that long and lonesome road babe  
Where I'm bound, I can't tell  
Goodbye's too good a word, babe  
So I'll just say, "Fare thee well"  
I ain't saying you treated me unkind  
You could've done better but I don't mind  
You just kinda wasted my precious time  
Don't think twice, it's all right

As he tiptoes across the sand  
He's got a million kinds of stardust  
Pick your favorite brand, and

(Chorus)

Dream, when you're feeling blue  
Dream, that's the thing to do  
Just watch the smoke rings rise in the air  
You'll find your share of memories there

So, dream when the day is through  
Dream, and they might come true  
Things never are as bad as they seem  
So, dream, dream, dream

Know why I've been blue

Exactly like you

You make me feel so grand  
I want to hand the world to you  
I hope you'll understand  
Each foolish little scheme I'm schemin'  
And dream I'm dreamin'

Now I know why mother  
Taught me to be true  
She meant me for someone  
Exactly like you

Still in peaceful dreams I see

Just an old sweet song keeps Georgia on my mind

And yet, I can't escape from you

I could ride away and hide away  
Where we were miles apart  
But when I got there, I'd find you there  
Right in my heart

So you see that I'm really not free  
I'm so afraid you might escape from me  
And yet, I can't escape from you

And it swings either way

### Lyrics

A country dance was being held in a garden  
I felt a bump and heard an, "Oh, beg your pardon"  
Suddenly, I saw polka dots and moonbeams  
All around a pug-nosed dream  
The music started, and was I the perplexed one?  
I held my breath and said, "May I have the next one?"  
In my frightened arms, polka dots and moonbeams  
Sparkled on a pug-nosed dream  
There were questions in the eyes of other dancers  
As we floated over the floor  
There were questions  
But my heart knew all the answers  
And perhaps a few things more  
Now, in a cottage built of lilacs and laughter  
I know the meaning of the words "ever after"  
And I'll always see polka dots and moonbeams  
When I kiss the pug-nosed dream

## Lyrics

Smile though your heart is aching  
Smile even though it's breaking  
When there are clouds in the sky, you'll get by

If you smile through your fear and sorrow  
Smile and maybe tomorrow  
You'll see the sun come shining through for you

Light up your face with gladness  
Hide every trace of sadness  
Although a tear may be ever so near

That's the time you must keep on trying  
Smile, what's the use of crying?  
You'll find that life is still worthwhile  
If you just smile

## Lyrics

I wandered today to the hill, Maggie  
To watch the scene below  
The creek and the old rusty mill, Maggie  
Where we sat in the long, long ago  
The green grove is gone from the hill, Maggie  
Where first the daisies sprung  
The old rusty mill is still, Maggie  
Since you and I were young

A city so silent and lone, Maggie  
Where the young and the gay and the best  
In polish'd white mansion of stone, Maggie  
Have each found a place of rest  
Is built where the birds used to play, Maggie  
And join in the songs that were sung  
For we sang just as gay as they, Maggie  
When you and I were young

They say I am feeble with age, Maggie  
My steps are less sprightly than then  
My face is a well-written page, Maggie  
But time alone was the pen  
They say we are aged and gray, Maggie  
Life's trail is nearly run  
But to me you're as fair as you were, Maggie  
When you and I were young
